

Find the Missing Animals!

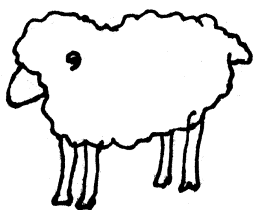

Earn the Animal Tracker Award by helping Henry Mercer's dog "Rollo" find some animals that are missing in the Museum! Look for **Animal on the Loose!** signs on the 2nd, 3rd, 4th and 5th floors. The signs will tell you what animal to look for on that floor.

When you find the missing animal, use the embossing stamp chained to the exhibit case to make an image of the animal in the space provided below. Collect all four stamped images and earn your Animal Tracker Award. Stop at our reception desk when you leave the Museum to pick up your certificate.

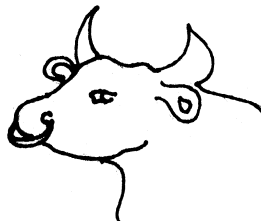

Here are some hints to help get you started: look for the cow or bull on the 2nd floor, the sheep on the 3rd floor, the whale on the 4th floor, and the duck on the 5th floor.

Good Luck!
