

Name That Tool

Food Edition

Below are four objects that could be found in historic kitchens or used to make meals.
Can you figure out the name of each item?

Draw a line from the name of the tool to its correct picture.

- A) **Herb Grinder:** The heavy wheel on this tool finely grinds herbs to be used in cooking or medicine.

1)

- B) **Sugar Nippers:** In the past sugar was sold in hard cone shapes, rather than in bags or boxes. This tool snipped small amounts of sugar from these cones.

2)

- C) **Ice Cream Scoop:** This tool scooped ice cream. Before modern freezers, families made their own ice cream using ice from nearby frozen rivers and lakes.

3)

- D) **Apple Peeler:** This tool was used to peel apples faster than by hand. A gear would spin the apple and a metal blade would cut away the peel.
