

World of Wizarding

A Mercer Museum Scavenger Hunt

Find the connections between the Mercer Museum's exhibits and the world of wizarding in this journey through the collections. For each clue, write down either the exhibit room or the object in question. Can you find them all?

2nd Floor in Central Court

1. Name the exhibit where Bertie Botts Every Flavour Beans and Chocolate Frogs might be made.

2. Name the object that could be used to produce the *Daily Prophet*.

3rd Floor

3. Name the metal object that might be used for drinking Butter Beer or Pumpkin Juice.

4. Name the room students might do research on ancient spells or the history of magic.

5. Name the exhibit where you can find tools that may have made the Sorting Hat.

4th Floor

6. Name the tool that might be used to weave a new cloak.

7. Name three tools that could have been used to make the Nimbus 2000 or the Firebolt.

8. Name the object that could be used to measure out specific ingredients in Potions Class or special magical medicines.

5th Floor

9. Name the exhibit that holds tools to make Hermione's Time Turner.

10. Name the object that you might use to brew a large amount of Polyjuice Potion

11. Name three tools you might need for working holly, hawthorn, willow and rosewood into fine wands – ready to choose their wizards! (HINT: Wands are made of wood).

7th Floor

12. This exhibit might resemble somewhat a Hogwarts classroom, complete with some tools for homework.

World of Wizarding Scavenger Hunt
